

ROW BREWING IN FUSION CAMP

Democratic Wing of the Allied Forces Wants More Offices.

WILL DEMAND AT LEAST THREE PLACES

List of Populist Candidates Growing Longer Every Hour—about One Hundred Aspirants Already in Sight, with More to Follow.

A spirited row is brewing in the fusion ranks over the distribution of the offices when the nominations at the approaching three-cornered state convention shall be made.

This year the democratic leaders are preparing to make a bold stand for three of the offices, and will not, it is intimated, listen to any suggestion of less than two.

Mr. Takayama and his guest went through the Bee establishment yesterday and were thoroughly enthused over the marvellous process in newspaper making witnessed.

Parade Exposition Pictures, Part III, now ready, 10 cents and a coupon cut from The Bee, page 2.

Go Where You Please When you go to your physician and he gives you a prescription you are very apt to ask him where you shall have it filled.
